Street improvements Day – Street Improvement Works – Murray Street, Pyrmont

Sydney Civil will soon start work to improve the intersection of **Murray Street and Bunn Street, Pyrmont**.

Street:	Murray Street
Section:	Intersection of Bunn Street
Type of work:	new pedestrian crossing, concrete kerb extensions, footpath renewal, access ramps, garden beds and street lighting.
Start date:	5 February 2024
Duration:	two months
Working hours:	7:30am to 5:30pm - Monday to Friday 7:30am to 3:30pm - Saturday

We will work to minimise impacts during this time. However, there may be machinery noise, temporary restrictions to traffic parking and changes to pedestrian access.

If there is bad weather, our contractors will try to start the work the next day. If unsuitable weather continues, we will update you on any changes to the schedule.

You will still be able to access properties in the street. We will contact you if we need to temporarily restrict access to progress work.

Thank you for your patience while we complete these important works.
