**STREET IMPROVEMENTS – STANLEY STREET, DARLINGHURST**

We will soon start work to improve **the intersection of Stanley Street and Yurong Street, Darlinghurst**. These works will increase pedestrian, bike and public transport access while improving safety and greening our streets.

**What work is being done?**

- Raised pedestrian crossing
- New continuous footpath treatment
- Installing new stormwater pits and pipes
- Street lighting for pedestrian crossing
- Kerb extensions
- Garden beds
- Footpath renewal
- Tactile installation
- Linemarking

See overleaf for concept for intersection.

**When will work start?**

The City's contractor, Sydney Civil, will start work in about **three weeks**. Work will be carried out during the **day** between **7:30am and 5:30pm Monday to Friday, 7:30am and 3:30pm Saturday**. The work is expected to take about **two months** to complete, weather permitting.

**Will there be any disruption?**

We will take steps to minimise any impact on you. However, there will be some machinery noise, temporary restrictions to vehicle parking and alternative pedestrian access. In the event of wet weather, work will commence the following day. If unsuitable weather continues, we will notify you of the change in scheduling.

Thank you for your cooperation while we carry out these important works.
