## Drainage Improvements – Raglan Street, Waterloo

We will soon start work to improve **Raglan Street between Cope Street and Pitt Street, Redfern**. These works will help improve stormwater drainage on the street.

### What work is being done?

- Installing new stormwater pipes
- Constructing new stormwater pits
- Fixing any damaged kerbs and gutters

### When will work start?

The City's contractor, Sydney Civil, will start work in about **four weeks**. Work will be carried out during the **day** between **7:30am and 5:30pm Monday to Friday, 7:30am and 3:30pm Saturday**. The work is expected to take about **two months** to complete, weather permitting.

### Will there be any disruption?

We will take steps to minimise any impact on you. However, there will be some machinery noise, temporary restrictions to vehicle parking and alternative pedestrian access. In the event of wet weather, work will commence the following day. If unsuitable weather continues, we will notify you of the change in scheduling.

Please note that works maybe rescheduled at short notice because of the current Covid-19 global pandemic. The safety of our communities, customers and staff is our top priority.

Thank you for your cooperation while we carry out these important works.
