Dear Resident/Business

**NOTICE – NIGHT WORKS ON BATHURST STREET & GOULBURN STREET  
AT THE INTERSECTION WITH GEORGE STREET  
George Street South Pedestrianisation**

Works on George Street have been progressing well and the areas from Bathurst Street to Rawson Places were completed and opened to the community in stages over the past one year. Some asphalt finishing works are required to be carried out at the intersections of George Street with Bathurst Street and Goulburn Street.

Due to requirements from TfNSW to not adversely impact on traffic at these very busy intersections, **night works only approvals** have been granted to complete the works as below. We will use all endeavours to not work on all the 4 nights as approved below.

- Works Location:** George Street at the intersection of Bathurst Street
- Construction Works:** Road asphalt works – Small strip asphaltting, Traffic Loops installation and Line Marking etc.
- Start Date:** Monday 21 March to Thursday 24 March 2022
- Duration:** Four (4) nights, weather permitting
- Working hours:** 9pm to 5am

Sydney Civil will work to minimise impacts during this time. However, there may be some machinery noise as well as temporary disruptions to vehicular traffic. Access to all properties will be maintained at all times.
