

22 June 2021

Dear Resident/Business

**NOTICE – NIGHT WORKS at INTERSECTION  
(INTERSECTIONS OF GEORGE STREET AT BATHURST STREET AND LIVERPOOL STREET)  
George Street South Pedestrianisation**

As part of the ongoing works for the George Street South Pedestrianisation project, work is required at the intersections of George Street at Bathurst Street and Liverpool Street. These work activities are required to be done at night, due to road occupation restrictions along these two busy and important east-west traffic corridors.

Work is due to start on Monday 28 June 2021, and will take about seven weeks to complete. Work will include installing new kerb stone, paving new pedestrian areas to match what has been completed so far, and installing new smartpoles.

Please note that these works will be noisy at times, but will be restricted as much as possible, and will not extend for the entire night over two consecutive nights. In addition, noisy works will not be required for the entire proposed duration, and only for activities such as demolition.

**Location:** Intersections of George Street at Bathurst Street & Liverpool Street

**Construction Works:** Upgrade of intersections as part of the George Street South Pedestrianisation

**Construction Start Dates:** 28 June 2021

**Duration:** seven (7) weeks (depending upon weather and latent issues)

**Working hours:** 8pm to 5am (Monday to Friday)

Sydney Civil will work to minimise impacts during this time. However, there will be machinery noise as well as temporary disruptions to local and pedestrian traffic. Access to all properties will be maintained at all times.

Thank you for your patience while we deliver this important piece of infrastructure upgrade to the area, which will enhance the appearance of the public domain.
