Dear Resident/Business

**NOTICE – CONSTRUCTION START – HAY STREET  
(SUSSEX STREET TO HARBOUR STREET)  
George Street South Pedestrianisation**

The new pedestrian boulevard on George Street, between Bathurst Street and Rawson Place is now complete and open to the public. We are now widening the footpath on both sides of George Street between Rawson Place and the Pitt Street intersection. Sydney Civil is delivering these works on behalf of the City of Sydney.

We will soon start construction on Hay Street between Sussex Street and Harbour Street. These works will include widening the footpath on the northern side of Hay Street, raised pedestrian environments at the Sussex Street and Harbour Street intersections, and new street furniture and trees.

**Works Location:** Hay Street, between Sussex Street & Harbour Street

**Construction Works:** Streetscape improvements

**Start Date:** Monday 22 August 2022

**Duration:** Around 15 weeks (depending upon weather and latent issues)

**Working hours:** 7am to 5pm (Monday to Saturday).

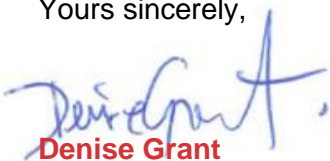

Additional night and weekend works may be required due to site constraints and to meet various Service Authorities requirements. We will provide separate notifications of these works. Partial closures of Hay Street during construction hours only may also be required; temporary detours will be offered via Little Hay Street. We will keep you regularly updated about the works.

Sydney Civil will work to minimise impacts during this time. However, there may be machinery noise as well as temporary disruptions to local and pedestrian traffic. Access to all properties will be maintained at all times.

Thank you for your patience while we deliver this important upgrade to the area, which will improve the appearance of the public domain.
