

8 March 2021

Dear Resident/Business

**NOTICE – CONSTRUCTION WORKS COMMENCEMENT
George Street South Pedestrianisation**

The City of Sydney Council recently distributed a letter, dated 1 March 2021, to advise the local community that construction works to convert the southern end of George Street into a pedestrian boulevard will soon start.

Sydney Civil P/L will be undertaking these works on behalf of the City of Sydney.

The works will involve converting the existing road carriageways along George Street into a pedestrian paved area to extend the existing footpath.

Construction will be divided into various stages to minimise impacts, and updates will be shared as works progress. The first stage of works will concentrate on the east side of George Street between Bathurst Street and Liverpool Street. An outline construction staging plan is shown overleaf for your reference.

Additional works including night works will also be carried out next to the Light Rail tracks, one weekend in March (refer below), when the Light Rail is scheduled to not operate. This work will involve paving a narrow section of road directly abutting the Light Rail track slab on both sides of the track between Bathurst Street and Goulburn Street.

Location: George Street, between Bathurst Street & Liverpool Street

Type of work: Streetscape upgrade of the existing road pavements

Start date: Within 2 weeks – further notification will be provided before construction commences.

Duration: 8 weeks (weather permitting)

Working hours: 7am to 5pm (Monday to Saturday)

Additional weekend work: Round the clock works are scheduled from Friday 26 March - 9pm to Monday 29 March - 3am, when the Light Rail is not operating. TfNSW and their Light Rail Operators confirmation awaited.

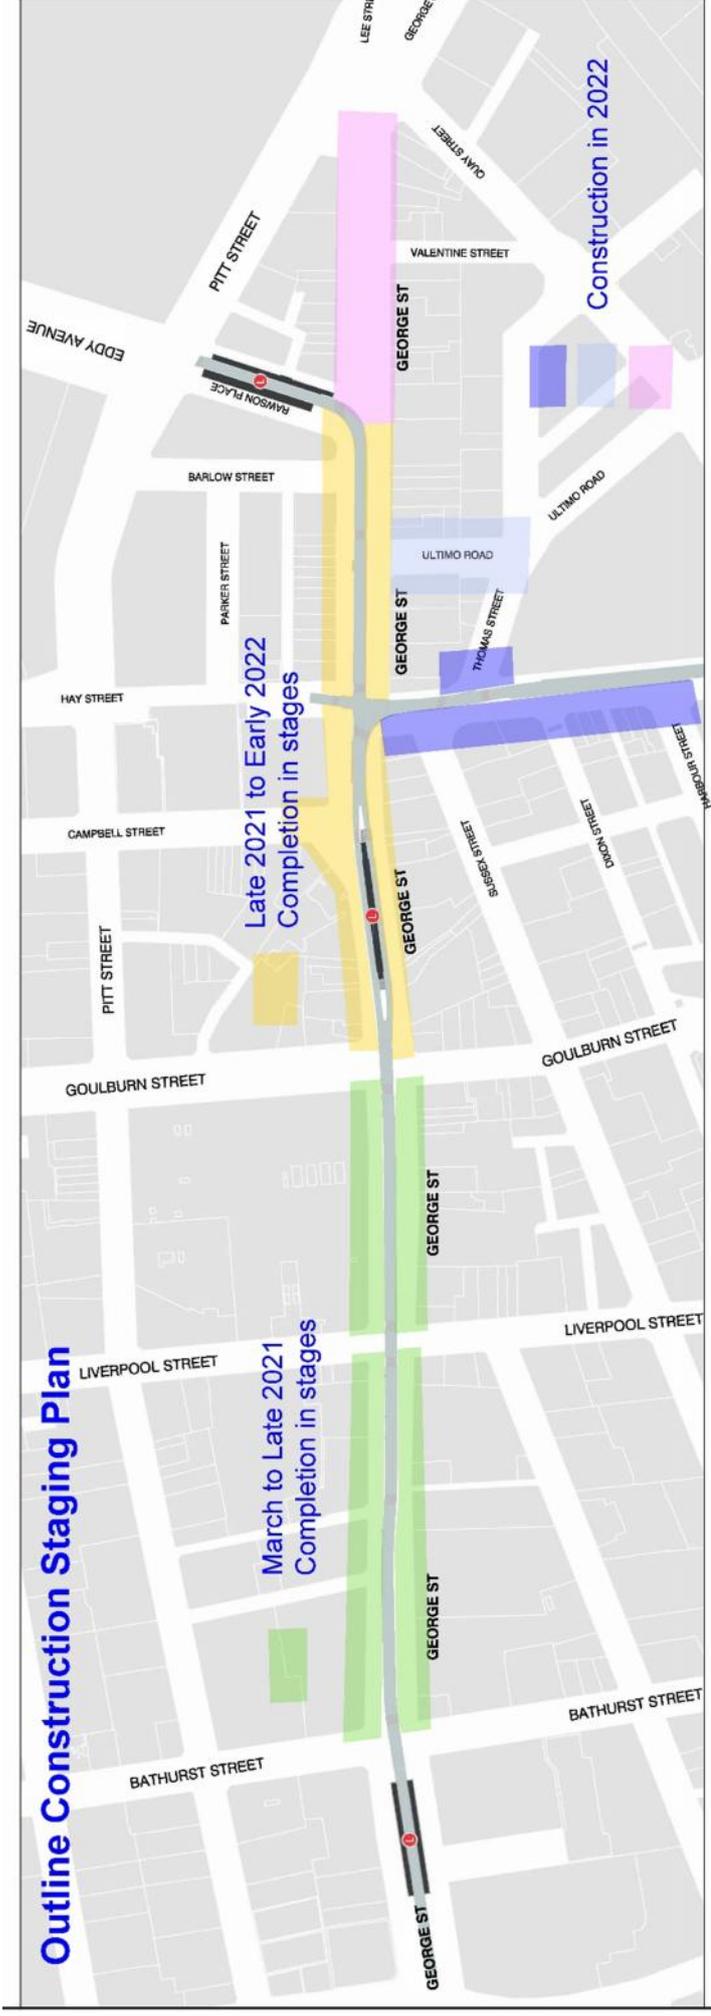

Sydney Civil will work to minimise impacts during this time. However, there may be machinery noise as well as temporary disruptions to local and pedestrian traffic. Access to all properties will be maintained at all times.

Thank you for your patience while we deliver this important piece of infrastructure upgrade to the area, which will enhance the appearance of the public domain.

For more information, please visit the project webpage at <https://community.sydneycivil.com/george-street-south-pedestrianisation> or contact me, Community Liaison Officer, Sydney Civil, on 0424 171 852 or at community@sydneycivil.com

Yours sincerely,

Community Liaison Team – Sydney Civil P/L
