Dear Resident/Business

**NOTICE – CONSTRUCTION START – ULTIMO ROAD AND THOMAS STREET  
George Street South Pedestrianisation**

Works are progressing along George Street as part of the George Street South Pedestrianisation Project, and as part of this project, work will soon begin on Ultimo Road and Thomas Street, Haymarket. Sydney Civil is delivering these works on behalf of the City of Sydney.

Construction of the new pedestrian boulevard on George Street, between Bathurst Street and Hay Street is complete and opened to the public. The portion between Hay Street and Rawson Place is almost complete and opened in parts.

The new construction areas include works in Thomas Street at its intersection with Hay Street, intersection of Ultimo Rd & Thomas Street, and Ultimo Road between George Street & Thomas Street. Works will include widening of footpaths, new planting areas and street furniture. Once complete, pedestrians and businesses will be able to enjoy improved amenity.

- Works Location:** Ultimo Road (between George Street and Thomas Street) and Thomas Street at the intersection with Hay Street and with Ultimo Road.
- Construction Works:** Streetscape upgrade
- Start Date:** Monday 21 March 2022 (some site establishment works will be conducted prior)
- Duration:** Around 15 weeks from start (depending upon weather and latent issues)
- Working hours:** 7am to 5pm (Monday to Saturday)

Additional night and weekend works may be needed to meet various authorities' approval requirements, as well as to ensure access to business is maintained during the day, however separate notification will be provided.

Sydney Civil will work to minimise impacts during this time. There may be machinery noise as well as temporary disruptions to local and pedestrian traffic. Access to all properties will be maintained at all times.

Thank you for your patience while we deliver this important piece of infrastructure upgrade to the area, which will enhance the appearance of the public domain.
