

21 March 2022

Dear Resident/Business

**NOTICE – DETOUR AND NIGHT WORKS**  
**GEORGE ST FROM PITT STREET TO ULTIMO ROAD – NORTHBOUND LANES**  
**George Street South Pedestrianisation**

Works on George Street are progressing well. The areas between Bathurst Street and Rawson Place are complete and opened to the community in stages over the past year. In order to complete the section between Rawson Place and Ultimo Road, on the western side of George Street, the works described below are required. We anticipate these works will largely complete the section between Hay Street and Rawson Place.

To not adversely impact vehicular traffic while this stretch of road is being completed, **night works and a detour only during the night** will be required. The detour for George Street and Ultimo Road will be implemented via Quay Street from the Pitt Street intersection. Please refer to the overleaf of this letter for further information on the detour.

**Works Location:** George Street between Ultimo Road and Rawson Place (western side).  
**Construction Works:** Asphaltting of road carriageway and construction of concrete ramps for the Ultimo Road raised threshold.  
**Start Date:** Sunday 3 April to Tuesday 5 April 2022  
**Duration:** 3 days, weather permitting  
**Working hours:** 8pm to 5am

Please note that during working hours, access along George Street will be maintained at all times.

Sydney Civil will work to minimise impact during this time. However, there may be some machinery noise as well as temporary disruptions to vehicular traffic. Access to all properties will be maintained at all times.

Please follow traffic controllers directions while the detour is in place.

**For more information**, please visit the project webpage at <https://community.sydneycivil.com/george-street-south-pedestrianisation> or contact Community Liaison Officer, Sydney Civil, on 0424 171 852 or email [community@sydneycivil.com](mailto:community@sydneycivil.com)

Yours sincerely,

**Community Liaison Team – Sydney Civil P/L**

## George St Detour

For access to Ultimo Road and Thomas Street on the proposed nights, use Quay Street from the Pitt Street, Lee Street intersection as indicated on the plan above.

Follow directions provided by traffic controllers at all times.
