Dear Resident/Business

**NOTICE – NIGHT WORKS**  
**CLEAN AND SEAL NEW PAVING BETWEEN BATHURST STREET AND GOULBURN STREET**  
**George Street South Pedestrianisation**

As part of the ongoing works for the George Street South Pedestrianisation project, we are currently scheduling work to clean and seal the new paving sections between Bathurst Street and Goulburn Street (both east and west sides). This work activity is required to be done at night while pedestrian movement is minimal, due to workplace health and safety regulations.

**Location:** George Street from Bathurst Street to Goulburn Street (East and West sides)

**Construction Works:** Clean and Seal of new paving

**Start Date:** Tuesday 14 September 2021

**Duration:** Five (5) nights (weather permitting)

**Working hours:** 5pm to 2am (noisy works to cease at 10:30pm)

Sydney Civil will work to minimise impacts during this time. However, there will be some machinery noise as well as temporary disruptions to pedestrian traffic. Access to all properties will be maintained at all times.

Thank you for your patience while we continue to deliver this street upgrade and enhance the appearance of the public domain.
