

27 September 2021

Dear Resident/Business

**NOTICE – WEEKEND WORKS (8 - 11 OCTOBER 2021)  
George Street South Pedestrianisation**

We are working on behalf of the City of Sydney to convert George Street, south of Bathurst Street, to a pedestrian boulevard. The project is progressing well and the mid-block sections between Bathurst Street and Goulburn Street are now open. This area is a shared environment with the Light Rail, so please use caution when walking across the tracks. Intersection works at these areas are still ongoing.

To manage safety requirements adjacent to light rail tracks, construction works will be carried out continuously over the weekend from Friday 8<sup>th</sup> to Monday 11<sup>th</sup> October, when the light rail is not operating. This is required by Transport for NSW and their Light Rail Operator to coincide with the programmed light rail network closure for maintenance. This work will help us complete the overall scope in a reduced timeframe and lessen the impact on the community.

Sydney Civil will work to minimise impacts during this time. However, there will be machinery noise as well as temporary disruptions to local and pedestrian traffic. Sydney Civil is working to minimise the impact of night works, but some night works will be required. Access to all properties will be maintained at all times.

Works will mainly be at the intersections of Bathurst Street, Liverpool Street & Goulburn Street to enable pedestrian traffic signal works, as well as major civil works from Goulburn Street to Rawson Place. Construction will continue in stages to reduce impacts on the community. See below for locations and hours of works:

**Location:** George Street, between Bathurst Street and Rawson Place

**Construction Works & Details:**

- Creating a pedestrian boulevard with new paving, trees and street furniture
- George Street, between Bathurst Street and Rawson Place (Eastern and Western side) – Continuous works (24/7) from 8 October at 9.00pm to 11 October 2021 at 4.00am.

**Working hours for 8 to 11 October works:** 24/7 (between the above dates and times)

Thank you for your patience while we deliver this important piece of infrastructure upgrade to the area, which will enhance the appearance of the public domain.

**For more information**, please visit the project webpage at <https://community.sydneycivil.com/george-street-south-pedestrianisation> or contact our Community Liaison Officer, Sydney Civil, on 0424 171 852 or at [community@sydneycivil.com](mailto:community@sydneycivil.com)

Yours sincerely,

**Community Liaison Team – Sydney Civil P/L**
