

2 August 2021

Dear Resident/Business

**NOTICE – WEEKEND WORKS (6 - 9 AUGUST 2021) & COMMENCEMENT OF NEW STAGE
George Street South Pedestrianisation**

We are working on behalf of the City of Sydney to convert the southern end of George Street to a pedestrian boulevard. With reference to our last notice of 8 July 2021, please note that the works on George Street have recommenced from 31 July 2021 that were paused due to the NSW Government health orders for construction works.

The weekend works will now occur on Friday 6 August to Monday 9 August when the light rail is not operating for the planned maintenance and construction works adjacent to the tracks as required by Transport for NSW and their Light Rail Operator. We will work continuously over the weekend to complete these critical works in a reduced timeframe and lessen the overall impact on the community.

Sydney Civil is working to minimise the impact of night works but some works may be required due to safety restrictions imposed by Transport for NSW and the Light Rail Operator.

Once the weekend works are completed, the section of George Street between Bathurst Street and Goulburn Street will be largely complete, and we will commence construction of the next stage of the project on George Street, between Goulburn and Hay Streets. Construction will continue in stages to reduce impacts on the community. Notifications will be sent before work starts in a new area.

Location: George Street, between Bathurst Street and Rawson Place

Construction Works: Creating a pedestrian boulevard with new paving, trees and street furniture

Construction Work Details:

- 1) George Street, between Bathurst Street and Rawson Place (Eastern and Western side) – Continuous works (24/7) from 6 August at 9.00pm to 9 August 2021 at 4.00am.
- 2) Commencement of new stage on George Street, between Goulburn Street and Hay Street (Eastern side) from 10 August 2021 with an approximate duration of 12 weeks (weather permitting).

Working hours for 6 to 9 August works: 24/7 (between the above dates and times)

Working hours for the Stage on George Street from Goulburn Street to Rawson Place (East side): 7am to 5pm (Monday to Saturday). There may be some minor night and weekend works to meet various authorities' approval requirements.

Sydney Civil will work to minimise impacts during this time. However, there may be machinery noise as well as temporary disruptions to local and pedestrian traffic. Access to all properties will be maintained at all times.

Thank you for your patience while we deliver this important piece of infrastructure upgrade to the area, which will enhance the appearance of the public domain.

For more information, please visit the project webpage at <https://community.sydneycivil.com/george-street-south-pedestrianisation> or contact me, Community Liaison Officer, Sydney Civil, on 0424 171852 or at community@sydneycivil.com

Yours sincerely,

Community Liaison Team – Sydney Civil P/L
