Dear Resident/Business

NOTICE – SITE ESTABLISHMENT & CONSTRUCTION NEW AREAS
George Street South Pedestrianisation

We refer to the City of Sydney Council's letter of 1 March 2021 and Sydney Civil's letter of 8 March 2021, about the commencement of construction works to convert the southern end of George Street into a pedestrian boulevard. Sydney Civil P/L is delivering these works on behalf of the City of Sydney.

Construction commenced in late March, on the eastern side of George Street, between Bathurst and Liverpool streets. Over the coming weeks, we will extend construction works to new areas including the eastern side of George Street, from Liverpool to Goulburn streets; and the western side of George Street, between Bathurst and Liverpool streets.

Construction has been divided into various stages, and updates will be shared as works progress. The new construction areas will concentrate on George Street between Bathurst Street and Goulburn Street. An outline construction staging plan is shown overleaf for your reference.

Location: George Street, between Bathurst Street & Goulburn Street

Construction Works: Streetscape upgrade of the existing road pavements

Construction Start Dates:

- 1) George Street, between Liverpool Street and Goulburn Street (Eastern side) will begin around last week of April 2021.
- 2) George Street, between Bathurst Street and Liverpool Street (Western side) will begin around first week of May 2021.

Duration: Around 8 weeks for each stage (depending upon weather and latent issues)

Working hours: 7am to 5pm (Monday to Saturday)

There may be some minor night and weekend works to meet various authorities' approval requirements.

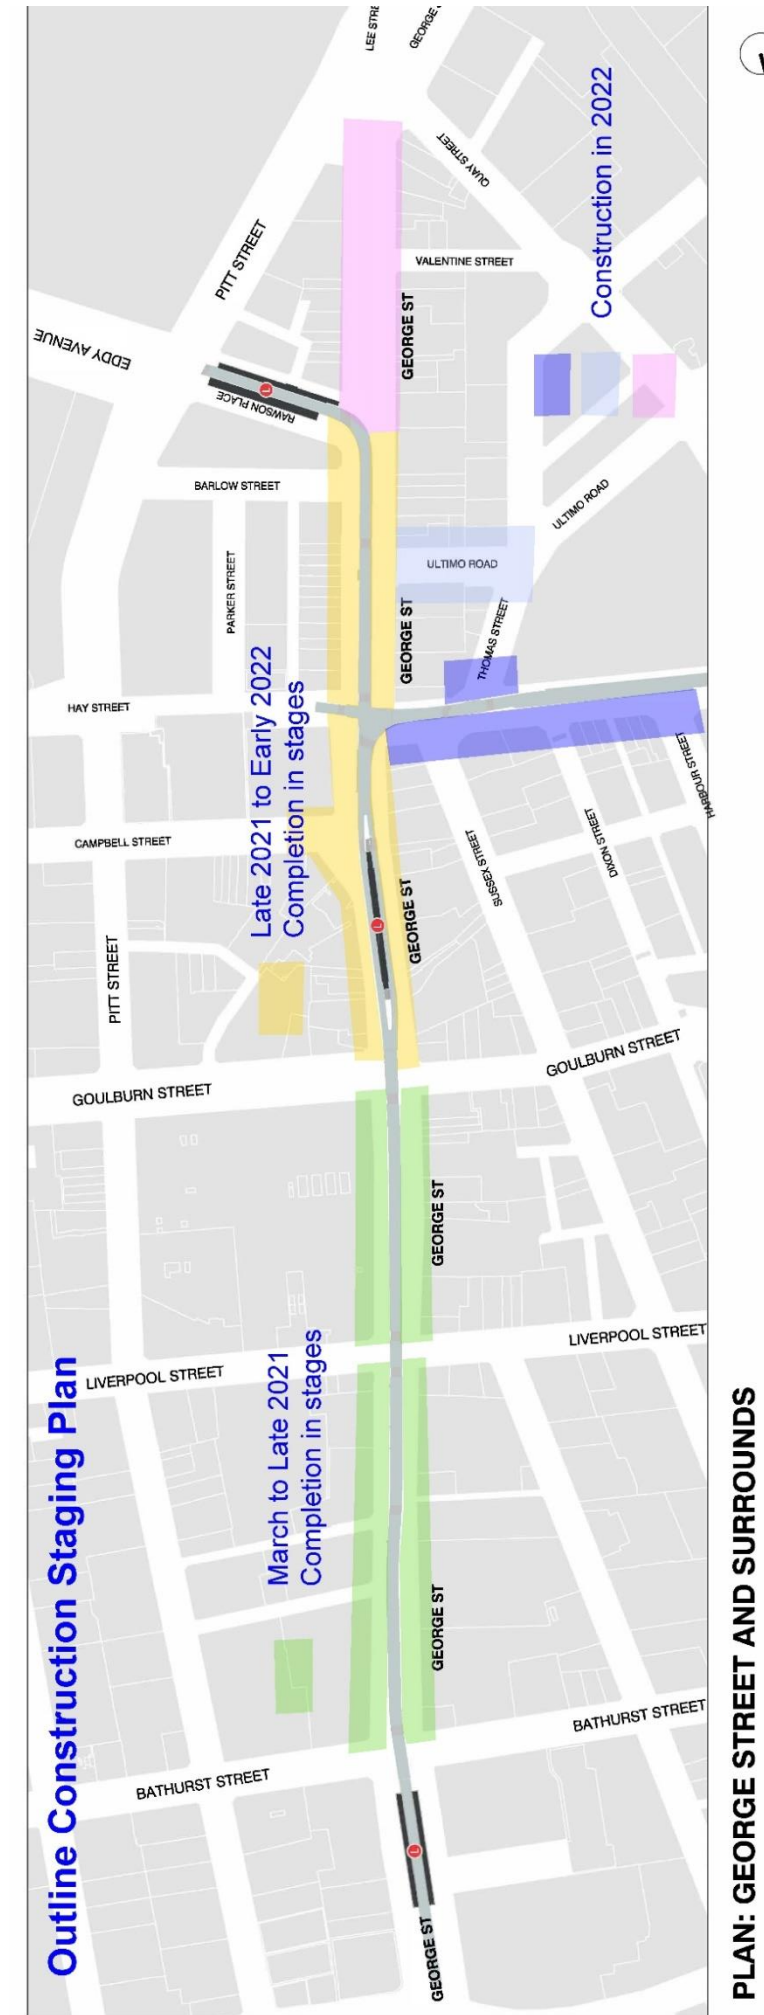

Sydney Civil will work to minimise impacts during this time. However, there may be machinery noise as well as temporary disruptions to local and pedestrian traffic. Access to all properties will be maintained at all times.

Thank you for your patience while we deliver this important piece of infrastructure upgrade to the area, which will enhance the appearance of the public domain.
