Dear Resident/Business

**NOTICE – WEEKEND WORKS (12-14 FEBRUARY 2022)  
George Street South Pedestrianisation**

We are working on behalf of the City of Sydney to convert the southern end of George Street to a pedestrian boulevard. As part of this project, a weekend of continuous works on George Street between Bathurst Street and Rawson Place, and Devonshire Street between Elizabeth Street and Chalmers Street, has been programmed from Saturday 12 February to Monday 14 February 2022.

The following works are required for safety of road users and will progress towards project completion:

- Completing pavement works at intersections along George Street at Bathurst Street, Liverpool Street and Goulburn Street; and
- Installing tactile pavers abutting the track slab, south of Hay Street up to Rawson Street; and
- Critical civil works abutting the track slab on Devonshire between Elizabeth Street and Chalmers Street to enable the street upgrade.

These works are next to the light rail track slab and can only be done when the light rail is not operating, during the planned weekend shutdown. We will work continuously over the weekend to complete this critical stage of work in a reduced timeframe and lessen the overall impact on the community.

**Project scope:** Creating a pedestrian boulevard with new paving, planting and street furniture

**Location:** - George Street, between Bathurst Street & Rawson Place  
- Devonshire Street, between Chalmers Street and Elizabeth Street

**Work Details:** Continuous works (24/7) from 12 February at 2:00am to 14 February at 4:00am

Sydney Civil will work to minimise impacts during this time. However, there may be machinery noise as well as temporary disruptions to local and pedestrian traffic. Access to all properties will be maintained at all times.

Thank you for your patience while we deliver this important piece of infrastructure upgrade to the area, which will enhance the appearance of the public domain.
