Dear Resident/Business

**NOTICE – CONSTRUCTION START – HAY STREET (BETWEEN GEORGE STREET AND SUSSEX STREET)**  
**George Street South Pedestrianisation**

Construction of the new pedestrian boulevard on George Street, between Bathurst Street and Rawson Place began in March 2021. Areas between Bathurst Street and Hay Street are now complete and opened to the public. The portion between Hay Street and Rawson Place is almost complete and opened in parts.

As part of this project, a new construction area will concentrate on Hay Street between George Street and Sussex Street. Works will include a wider footpath and street furniture.

- Works Location:** Hay Street, between George Street & Sussex Street
- Construction Works:** Streetscape upgrade
- Start Date:** Monday 14 February 2022 (some site establishment works will be required prior)
- Duration:** Around 6 weeks (depending upon weather and latent issues)
- Working hours:** 7am to 5pm (Monday to Saturday)

Additional night and weekend works may be needed to meet various authorities' approval requirements, however separate notification will be provided.

Sydney Civil will work to minimise impacts during this time. However, there may be machinery noise as well as temporary disruptions to local and pedestrian traffic. Access to all properties will be maintained at all times.

Thank you for your patience while we deliver this important piece of infrastructure upgrade to the area, which will enhance the appearance of the public domain.
