NIGHT WORKS MACLEAY STREET UPGRADE

Sydney Civil will be undertaking night works on Macleay Street at the intersections of Greenknowe Avenue and Challis Avenue, Potts Point for traffic signal works.

Street: Macleay Street
Intersections: Greenknowe Avenue and Challis Avenue
Type of work: Traffic Signal Works - **(No noisy works)**
Start date: 14 February 2022
Duration: One week
Working hours: 9pm to 5am – Monday to Thursday

We will work to minimise impacts during this time. However, there may be temporary restrictions to traffic parking and changes to pedestrian access.

If there is bad weather, our contractors will try to start the work the next night. If unsuitable weather continues, we will update you on any changes to the schedule.

You will still be able to access properties in the street. We will contact you if we need to temporarily restrict access to progress work.

Please note that works maybe rescheduled at short notice because of the current Covid-19 global pandemic. The safety of our communities, customers and staff is our top priority.

Thank you for your patience while we complete these important works.
