Street Improvements – Matterson Lane, Surry Hills

We will soon start work to improve **Matterson Lane from Cleveland Street to the end behind 745 Bourke Street, Redfern.**

Type of work: construct mid-road drainage and resurface road
Start date: 20 May 2022
Duration: three weekends
Working hours: 7.30am to 11.30am – Friday
7.30am to 3.30pm – Saturday

We will work to minimise impacts during this time, however there will be some machinery noise, temporary restrictions to vehicle parking and changes to pedestrian access.

If there is wet weather, our contractors will try to start the work the next day. If unsuitable weather continues, we will update you on any changes to the schedule.

You will still be able to access properties in the street, and we will contact you if we need to temporarily restrict access to progress work.

Thank you for your patience while we complete these important works.
