## Street Improvements – Elizabeth Street, Waterloo

We will soon start work to improve stormwater drainage in front of the bus stop on **Elizabeth Street near Allen Street, Waterloo**.

**Type of work:** kerb, gutter, and access ramps renewal,  
road resurfacing and line marking

**Start date:** Monday 30 May 2022

**Duration:** three weeks

**Working hours:** 9.00am to 3.30pm - Monday to Friday  
7.30am to 3.30pm - Saturday  
8.00pm to 5.00am - two nights only

We will work to minimise impacts during this time, however there will be some machinery noise, temporary restrictions to vehicle parking and changes to pedestrian access.

If there is wet weather, our contractors will try to start the work the next day. If unsuitable weather continues, we will update you on any changes to the schedule.

You will still be able to access properties in the street, and we will contact you if we need to temporarily restrict access to progress work.

Thank you for your patience while we complete these important works.
