

18 May 2022

Our Ref: 10026029

Street Improvements – O’Dea Avenue, Zetland

We will soon start work to improve the road surface and drainage on **O’Dea Avenue between Gadigal Avenue and Joynton Avenue.**

Type of work: kerb and gutter renewal, in-road service pit adjustments, road resurfacing, renewal of road line marking

Start date: Friday 20 May 2022

Duration: six weeks

Working hours: 9.30am to 3.00pm – Monday to Friday
7.30am to 12.00pm – Saturday
8.00pm to 5.00am – Monday to Thursday

Night works will be staged over the six-week period.

We will work to minimise impacts during this time, however there will be some machinery noise, temporary restrictions to vehicle parking and changes to pedestrian access.

If there is wet weather, our contractors will try to start the work the next day. If unsuitable weather continues, we will update you on any changes to the schedule.

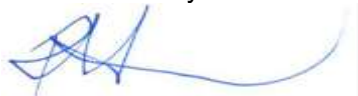

You will still be able to access properties in the street, and we will contact you if we need to temporarily restrict access to progress work.

Thank you for your patience while we complete these important works.
