## **Street Improvements – O’Dea Avenue, Zetland**

We need to work one Sunday night to complete road resurfacing works on **O’Dea Avenue between Gadigal Avenue and Joynton Avenue.**

**Type of work:** road resurfacing  
**Duration:** one night  
**Working hours:** 8pm to 5am – Sunday 19 June 2022

We will work to minimise impacts during this time, however there will be some machinery noise. Noisier works will however be completed before 11pm.

If there is wet weather, our contractors will try to start the work the next day. If unsuitable weather continues, we will update you on any changes to the schedule.

You will still be able to access properties in the street, and we will contact you if we need to temporarily restrict access to progress work.

Thank you for your patience while we complete these important works.
