

George Street South Pedestrianisation Project, Sydney

PROJECT UPDATE – AUGUST 2021

Works Completed To Date

- Completion of paving and installation of seats, new trees and tactile paving strip on both the East and West sides of George Street between Bathurst Street and Liverpool Street.
- Stormwater upgrade and concrete base on both the East and West side of George Street between Liverpool Street and Goulburn Street.
- Paving and street furniture installation on both the East and West side of George St between Liverpool Street and Goulburn Street is expected for completion late-August 2021.
- Extended weekend works (Friday 6/8 to Monday 9/8) on George Street between Bathurst Street and Rawson Place, next to the light rail tracks, carried out successfully during light rail service shutdown.

Current and Upcoming Works for August

- Ongoing intersection works on George Street at Bathurst Street, Liverpool Street and Goulburn Street.
- Pits, paving and furniture works on George Street between Bathurst Street and Goulburn Street.
- New site establishments on the East side of George Street between Goulburn Street and Rawson Place. Commencement of demolition and storm water upgrade works in stages in these two blocks.

Working hours

- Day works: Monday to Saturday 7am to 5pm.
- Night works: Some night works may be required. Separate notifications will be distributed.

We will take steps to minimise impacts on local business owners and residents, however please note there may be machinery noise as well as temporary disruptions to local and pedestrian traffic. Access to all properties will be maintained at all times.

Area opened for pedestrians – West side of George Street between Bathurst Street and Liverpool Street
