

George Street South Pedestrianisation Project, Sydney

PROJECT UPDATE – OCTOBER 2021

Works completed

- Mid-block areas on George Street between Bathurst Street and Goulburn Streets are open for pedestrians to freely move across the rail tracks, on both East and West sides.
- Pavements have been cleaned and sealed, and furniture has been installed between Bathurst Street and Goulburn Street on both East and West sides.

Current and upcoming works for October

- Ongoing intersection works along George Street at Bathurst Street, Liverpool Street and Goulburn Street.
- Pits, paving and furniture are being installed on the East side of George Street between Goulburn Street and Hay Street.
- Works continue on the East side of George Street between Hay Street and Rawson Place, including stormwater, concreting and paving.
- Works continue on the West side of George Street between Goulburn Street and Hay Street, including excavation, stormwater and concreting.
- Upcoming site establishment of new stage. Works to start on the West side of George Street, between Hay Street and Rawson Place.

Working hours

- Day works: Monday to Saturday 7am to 5pm.
- Night works: Some night works may be required. Separate notifications will be distributed.

We will take steps to minimise impacts on local business owners and residents, however please note there may be machinery noise as well as temporary disruptions to local and pedestrian traffic. Access to all properties will be maintained at all times.

Concrete base ready for paving – George Street East side between Hay Street and Rawson Place
