

George Street South Pedestrianisation Project, Sydney

PROJECT UPDATE – DECEMBER 2021

Works completed

- Areas are open for pedestrians' free movement across the rail tracks on George Street between Bathurst Street and Hay Street.
- The area between Hay Street and Barlow Street is open on the east side.
- Traffic signals upgrade works at Bathurst Street, Liverpool Street and Goulburn Street intersections are now largely completed.

Current and upcoming works

- Pits, paving and furniture are being installed between Hay Street and Ultimo Street on the west side.
- Stormwater drainage works between Ultimo Street and Rawson Place on the west side.
- Cleaning and sealing of pavements between Goulburn Street and Hay Street, both east and west sides.
- Completing traffic signal works at Bathurst Street, Liverpool Street and Goulburn Street intersections.

Working hours

- Day works: Monday to Saturday 7am to 5pm.
- Night works: Some night works may be required. Separate notifications will be distributed.

We will take steps to minimise impacts on local business owners and residents, however, please note there may be machinery noise as well as temporary disruptions to local and pedestrian traffic. Access to all properties will be maintained at all times.

Christmas Break Period - We will de-mobilise our site on 17 December 2021 and return after the holiday and New Year period on 10 January 2022 to resume construction activities.

Area opened for pedestrians – George Street between Goulburn Street and Hay Street on the west side
