

George Street South Pedestrianisation Project, Sydney

PROJECT UPDATE – FEBRUARY 2022

Works Completed

- The section between Hay Street and Rawson Place is now open on the east side, and between Hay Street and Ultimo Road on the west side.

Current and Upcoming Works

- Works continue between Ultimo Road and Rawson Place on the west side, including the roadway, kerb stone and paving.
- Works continue in Devonshire Street between Chalmers Street and Elizabeth Street, including excavation, stormwater and concreting.
- Works continue in Hay Street between George Street and Sussex Street, including excavation, stormwater, concreting and paving.
- Minor works to the cycleway in Liverpool Street to the intersection of George Street.

Working Hours

- Day works: Monday to Saturday 7am to 5pm.
- For the month of March, some night works will be required to complete our scope between Ultimo Road and Rawson Place on the west side of George Street. Separate notifications will be distributed providing additional information.

We will take steps to minimise impacts on local business owners and residents, however please note there may be machinery noise as well as temporary disruptions to local and pedestrian traffic. Access to all properties will be maintained at all times.

For more information on the project, please go to the City of Sydney web page: www.city.sydney/George-street

Tactile installation during Light Rail shutdown – George Street between Ultimo Rd and Rawson Pl (west side)
