

# George Street South Pedestrianisation Project, Sydney

## PROJECT UPDATE – JULY 2022

### Works Completed

- Paving and new continuous footpath treatment is complete and operational at Parker Street and Hay Street.
- Paving on both sides of Ultimo Road between George Street and Thomas Street is complete. Both sides will require minor electrical and street lighting works.

### Current and Upcoming Works

- Liverpool Street cycleway kerb at George Street is scheduled to start end of July.
- Minor drainage works at Parker Street and Hay Street to start mid-July.
- Works on George Street (between Rawson Place and Pitt Street) are progressing well involving excavation, drainage, electrical, concreting, and paving activities.
- Works to commence on the North East corner of Elizabeth Street and Devonshire Street, Surry Hills.

### Working Hours

- Monday to Saturday 7am to 9pm.

The following night works will be required this month:

- Infrastructure works along George Street, south of Rawson Place.
- Works at the intersection of Elizabeth Street and Devonshire Street.

More information, and separate notices will be provided by our Community Liaison Officer before these night works take place.

For more information on the project, please go to the City of Sydney web page: [www.city.sydney/George-street](http://www.city.sydney/George-street)

*Progress of recently site established section on George Street (between Valentine Street and Pitt Street)*
