

9 February 2023

Crown Street upgrade

We will start work to service locate sections of **Crown Street between Oxford and Devonshire Streets.**

Street: Crown Street
Section: Oxford to Devonshire Streets
Type of work: Service location
Start date: 13 February 2023
Duration: Five days
Working hours: 7.30am to 5.30pm – Monday to Friday
7.30am to 3.30pm – Saturday

We will work to minimise impacts during this time. However, there may be machinery noise, temporary restrictions to traffic parking and changes to pedestrian access.

If there is bad weather, our contractors will try to start the work the next day. If unsuitable weather continues, we will update you on any changes to the schedule.

You will still be able to access properties in the street. We will contact you if we need to temporarily restrict access to progress work.

Thank you for your patience while we complete these important works.
