

SYDNEY CIVIL

IMPROVING TRAFFIC AND SAFETY IN WOLLI CREEK - CONSTRUCTION **UPDATE (JUNE 2020)**

Bayside Council is working to improve traffic flow and safety for road users, pedestrians and cyclists in Wolli Creek.

In January, Sydney Civil was engaged to implement the one way circuit chosen by the community, plus other improvements. These will include increased street lighting, widening and beautification of footpaths and roads, extra pedestrian crossings, adding a bicycle lane and addressing storm water issues to fix localised flooding.

Update of work status:

Progress works for June:

- Complete drainage works on Guess Avenue.
- Continue road reconstruction on Guess Avenue.
- Continue storm water upgrade, kerb and gutter and footpath reconstruction on Arncliffe Street (North Side).
- Continue electrical upgrade works along Arncliffe Street.

Program of works for July:

- Complete road reconstruction works on Guess Av.
- Complete storm water upgrade, kerb and gutter and footpath reconstruction on Arncliffe Street (North Side).
- Install Cycleway median separator on Mount Olympus Drive
- Commence landscaping works at Arncliffe Street.

Please note the new one way system is now in operation and it is a permanent traffic arrangement. Please follow all signs and directions given by traffic controllers.

Please note temporary changed traffic conditions along Guess Av. Some diversions of traffic on specific dates may be required for completion of works.
