

SYDNEY CIVIL

IMPROVING TRAFFIC AND SAFETY IN WOLLI CREEK - CONSTRUCTION **UPDATE (AUGUST 2020)**

Bayside Council is working to improve traffic flow and safety for road users, pedestrians and cyclists in Wolli Creek.

In January, Sydney Civil was engaged to implement the one way circuit chosen by the community, plus other improvements. These will include increased street lighting, widening and beautification of footpaths and roads, extra pedestrian crossings, adding a bicycle lane and addressing storm water issues to fix localised flooding.

Update of work status:

Progress works for August:

- Continue road reconstruction on Guess Av.
- Continue road reconstruction on Mount Olympus Blv.
- Completed installation of cycleway median separator on Mount Olympus Blv.
- Completed concrete island at Magdalene Tce
- Continue pedestrian crossing update works on Magdalene Tce and Mount Olympus Blv.

Program of works for September:

- Complete road reconstruction works on Guess Av.
- Complete road reconstruction works on Arncliffe Street.
- Final asphalt for the above (see note on night works as notified previously).
- Complete garden beds and tree pits along Arncliffe St.
- Final road line marking and signs.

Please note the new one way system is now in operation and it is a permanent traffic arrangement. Please follow all signs and directions given by traffic controllers.

Road Re-sheeting night work is scheduled on the 6th and 7th of September from 7pm to 5am at Arncliffe Street, Guess Avenue, Mount Olympus.
