

SYDNEY CIVIL

IMPROVING TRAFFIC AND SAFETY IN WOLLI CREEK - CONSTRUCTION **UPDATE (OCTOBER 2020)**

Bayside Council is working to improve traffic flow and safety for road users, pedestrians and cyclists in Wolli Creek.

In January, Sydney Civil was engaged to implement the one way circuit chosen by the community, plus other improvements. These will include increased street lighting, widening and beautification of footpaths and roads, extra pedestrian crossings, adding a bicycle lane and addressing storm water issues to fix localised flooding.

Update of work status:

Progress works for October:

- 90% road line marking and signs completion.
- Final asphalt reconstruction.
- Progress of electrical works.

Program of works for November:

- Complete footpath line marking.
- Complete works at Willis Street.
- Complete electrical works.
- Works completion.

Please note the new one way system is now in operation and it is a permanent traffic arrangement. Please follow all signs and directions given by traffic controllers.
