

# George Street South Pedestrianisation Project, Sydney

## PROJECT UPDATE – MARCH 2021

Sydney Civil has been engaged by City of Sydney Council to deliver this key urban renovation project. Project will be delivered in stages and the construction works commenced as of late March 2021.

### Works Completed To Date

- ) Extended weekend hour works on George Street between Bathurst Street and Goulburn Street, next to the light rail tracks, during a programmed light rail service shutdown.
- ) Site establishment and demolition works commencement on the East side of George Street between Bathurst Street and Liverpool Street.

### Current and Upcoming Works for April

- ) Storm water upgrade, concrete base and paving works on the East side of George Street between Bathurst Street and Liverpool Street.

### Working hours:

- ) Day works: Mondays to Saturday 7:00am to 5:00pm.
- ) Night works: Some night works and extended weekend works will be required. Separate notifications will be distributed.

Please note the works being carried out may be noisy at times. We will try and minimise the disruption as much as possible.

For more information on the project, please go to the City of Sydney web page: [www.city.sydney/George-street](http://www.city.sydney/George-street)
