

George Street South Pedestrianisation Project, Sydney

PROJECT UPDATE – MAY 2021

Works Progress

- Drainage and concrete base has been laid on the east side of George Street between Bathurst Street and Liverpool Street.
- Demolition of existing roadway on the east side of George Street between Liverpool Street and Goulburn Street, ongoing.
- Site established on the west side of George Street between Bathurst Street and Liverpool Street.

Current and Upcoming Works for May

- Paving and the installation of furniture on the east side of George Street between Bathurst Street and Liverpool Street.
- Stormwater upgrade, concrete base and paving works on the east side of George Street between Liverpool Street and Goulburn Street.
- Stormwater upgrade, concrete base and paving works on the west side of George Street between Bathurst Street and Liverpool Street.

Working hours:

- Day works: Monday to Saturday 7:00am to 5:00pm.
- Night works: Some night works and extended weekend works will be required. Separate notifications will be distributed.

We will take steps to minimise impacts on local business owners and residents, however please note there may be machinery noise as well as temporary disruptions to local and pedestrian traffic. Access to all properties will be maintained at all times.

For more information on the project, please go to the City of Sydney web page: www.city.sydney/George-street

Concrete base – East side of George St between Bathurst St and Liverpool St complete (ready for paving).
